

Summer ART QUEST 2017

Create, learn, get messy & meet new friends at SUMMER CAMPS & TEEN WORKSHOPS designed for children entering K – 12th grade

# Summer ART QUEST 2017

Camps run June-August, 8:30am-Noon. Workshops are 1pm-4pm.

Camps & workshops combine studio art projects and daily museum visits for a comprehensive art experience for your child. Explore different media & studio processes all summer long!

Crescent level members: March 6

Star level members: March 13

Family level members: March 20

All other levels + General Public: March 27\*

## **2017 Summer Art Quest Camps/Workshops**

### **Teen Workshop - Print Power**

**June 27, 1pm – 4pm (grades 6 – 12)**

Ever wanted to print on a real press? Well now is the time! Teens will create their very own drawings and designs to put through our printing press. They will participate in a print swap and walk away with a portfolio full of great art work.

### **Micro and Macro Art**

**July 11 – 13, 8:30am – Noon (grades 3 – 5)**

Big and small, these campers will explore it all! Zoom in on tiny things and make tiny things tall, shrink huge giants and make skyscrapers small! Campers will have fun playing with scale while exploring drawing, painting and sculpting techniques.

### **SENSEational ART**

**July 18 – 20, 8:30am – Noon (grades K – 2)**

Create art that engages all your senses in this three day camp! Sound sculptures that jingle, culinary crafts that smell and taste superb, eye-popping op-art and smooth sculptures are all part of this “sense”-ational camp experience for all artists!

### **Teen Workshop - Self Portraiture**

**July 27, 1pm – 4pm (grades 6 – 12)**

Learn how to paint a great likeness of yourself in this four-hour studio experience. Explore symbolism, technical skills and abstraction while you decide what makes you YOU!

### **Brush up with Landscapes**

**August 1 – 3, 8:30am – Noon (grades 3 – 5)**

Flowers and bunnies and deer, oh my! For those young artists who wonder about the specifics of landscape painting, we will explore the plants, animals and environments represented in the SMA collection while creating artistic habitats of our very own!

### **Movers and Makers**

**August 8 – 10, 8:30am – Noon (grades K – 2)**

Campers will dance, play and wiggle while they create art that allows them to practice fine motor skills, coordination and of course their creativity. From drawing with music to dancing in the studio, these campers will experience a wide variety of art making techniques.

\*Includes SCV Members at the Individual, Student, Educator, Dual and Couple levels of membership, as well as members of the General Public.
